

Field Value Formatting

Field Value Formatting

When you add/edit any record's text field, you can use the following formatting.

```
<blue>text</blue>  
<brown>text</brown>  
<blue>text</blue>  
<cyan>text</cyan>  
<green>text</green>  
<red>text</red>  
<yellow>text</yellow>  
<large>text</large>  
<small>text</small>
```

After adding the above, you can see something like this appearing in the form display.

text text text text text text text text size text text
